

**Description:**

The Work Stool is designed for comfort, durability, and functionality in both professional and home settings. Crafted with high-quality materials, this stool offers a blend of aesthetic appeal and ergonomic support, making it ideal for prolonged use.

Key Features:

- **Seat Material:**
 - Beech Wood, Natural Finish: The seat is crafted from natural beech wood, offering a warm, natural aesthetic that complements any workspace.
- **Adjustable Seat Height:**
 - 50-67 cm: Easily adjustable seat height, thanks to the integrated gas lift mechanism, allowing for customized comfort.
- **Seat Dimensions:**
 - Diameter: 35 cm: A compact yet comfortable seat size designed to provide optimal support.
- **Base and Mobility:**
 - Polished Aluminum Base: The robust aluminum base not only adds to the stool's durability but also gives it a sleek, modern look.
 - Double-Wheel Castors: Equipped with smooth-rolling double-wheel castors, specifically designed for hard floors, ensuring easy movement without damaging your floor surface.

Applications:

- Ideal for use in laboratories, workshops, studios, or any environment where mobility and comfort are essential.
