Equipment for technical and vocational automotive education and training.

To ensure the highest safety standards, the Protective Tools Set AT0128 must be included with all orders of our Electric Vehicle (EV) and Hybrid Trainers. This essential set is designed to provide comprehensive protection and support for users during training sessions.

If your specific requirements do not necessitate the inclusion of the AT0128 Protective Tools Set, please reach out to our managers. They will assist you in adjusting your quotation accordingly.

Note: Specifications are subject to change.
